how to download the App now!

Download the *DynaMed Plus* App today!

1. Go to the App Store or Google Play and download the *DynaMed Plus* mobile app.
2. After completing the App download, open the *DynaMed Plus* mobile app.
3. Signing in to the App:
 - If you are on your institution's internal WiFi network, content will automatically download.
 - If you have a *DynaMed Plus* personal account user login, sign in and the content will automatically download.
 - If you don't have a personal account user login, go to your desktop version of *DynaMed Plus* and click on "Mobile use: Get the *DynaMed Plus* Mobile App" under the Spotlight section of the product. Submit your email address, open up the email on your mobile device and follow the instructions provided.
4. It will take 10 - 30 minutes to install the initial *DynaMed Plus* content.
5. Your device is ready to go!
