

UHSM Academy Library Literature Search Request Form

Results of database and/or Internet searches are subject to the limitations of the database(s) and websites searched. Results of searches are also limited by your search request. It is the responsibility of the requester to determine the accuracy, validity and interpretation of the search results. By submitting this request you are acknowledging that you have read this disclaimer and that you acknowledge the limitations of database/Internet searching. We do not carry out searches for the purpose of course assignments / dissertations / theses. Instead we offer one to one training where we can work through your question with you. Speak with a member of staff to book a session.
